

Sight-Creations' Animated Masks collection

download location: http://sight-creations.com/free_stuff/sc_anaglyph25b.zip

These are FCPX Effects

To Install (suggested installation):

"Root" drive / Users /YourHomeDirectory /Movies /Motion Templates /Effects /Keying place entire SC Animated folder inside restart FCPX (if necessary)

The folder: SC Animated is a Theme folder and contains the three Animated Mask effects: Single 4pt Mask, 2 Mask Set, and 4 Mask Set.

The Effects will now be available in the FCPX Effects browser under Keying, under SC Animated

Installing as Individual Effects

For Each:

"Root" drive / Users /YourHomeDirectory /Movies /Motion Templates /Effects /Create a Category Folder (or, recommend using the existing Keying Folder)	place entire <Mask Effect> folder inside (each folder inside the SC Animated Folder, separately)	restart FCPX (if necessary)

Thanks!

Thank you for your interest in sight-creations effects for FCPX. Enjoy! Sight-Creations effects for fcpx are free for private and commercial production of video. You may NOT rename and/or sell/resell these effects without express written permission. You may break down these effects to reverse engineer them to see how they work and to learn (if there is anything to learn ;) — there is no copy protection for Motion projects.) Please have the good grace not to copy them and pass them off as your own.

Contributions: If you would like to make a contribution to keep these effects free and aid development of more effects, you can make a contribution via paypal (you do not need an account) from the "share the freedom" button on the http://sight-creations.com/free_stuff page. Your help in this way will be greatly appreciated.
